

MEFGI, initiated project trainings of the ENVIRONMENTAL SCIENCES, as early as possible

In a unique endeavour to equip with the latest industry trend, MEFGI has started project training of the students of B.E-2nd year. In the very 1st of kind, students were selected by one of the leading firm "ROYAL Environment auditing & consultancy service". Subsequent to completion of the project training, successful students will be absorbed in the company itself.

Following students were selected

Biren Anilkumar
Bhojani

Anjali Dipakbhai
Lathigara

Savan Vjaykumar
Kakad

Yatri Jayeshbhai
Sureja

Krishna Kirtibhai
Dave

ROYAL Environment auditing & consultancy service is situated at Rajkot. This company deals with monitoring of various parameters of air and water pollution and also gives their valuable service in controlling the environmental pollution.

We are thankful to Royal Environment auditing & consultancy service for giving our students an opportunity to do this training. We would also like to congratulate The Director of the institute, Dr. Y.P.Kosta., The Dean of the Engineering, Dr. Rajendrasinh B. Jadeja and The HOD of ES department Prof. Umesh Kumar. We hope such things keep on happening in the future.
